PLEASE READ: NEW SCHOOL REGISTRATION PROCESS THIS YEAR!

Online registration via Chaverweb will be used this year. Enter your tuition and fees payment on page 2 of the commitment form. Your completed commitment form and first payment (including book and activity fee paid in full) should be mailed to or dropped off in the office.

After your commitment form is processed, you will get an email from the office telling you that you can sign into the school registration module in Chaverweb. You will not see the school registration icon until your commitment is processed and you are notified. If you need help with Chaverweb, please call the office.

1. After you receive your notification email, log in to Chaverweb – there is a link to it from our homepage at Congetzchaim.org.
2. Click on the school registration icon – if you don't see it, call the office.
3. Choose the grade you are registering for.
4. Choose the child you are registering.
5. The next screen will ask you to confirm information for this child. If you have not updated the information in Chaverweb yet, you will have to do that now. Please enter the information on the “emergency” and “medical” tabs (we don't need blood types).
6. Next, you will answer two questions concerning allergies and IEPs. Please explain in detail if you answer “yes” to either one.
7. Next, you will see the “Confirm” screen. If you have other children to register, choose “Register for More.” If this is the last child you are registering, choose “Submit.”
8. In a short while, you will receive a confirmation email. That email will contain a link to our website where you will find the forms you must print out, complete and return to the office. These forms include Medical and Publicity Release form (one for each child), and Volunteer and Parking Lot Duty forms (one for each family). You can drop off the forms or mail them to us at Congregation Etz Chaim, 1710 S. Highland Avenue, Lombard, IL 60148.
9. You're done! Have a great summer and we'll see you in September.
