**Join Sisterhood to kick off the year with a charity sip and sweat**

Come to the Etz Chaim social hall for a fun night of Israeli dancing, sipping your favorite wine or non-alcoholic beverage and a nosh

Wear comfortable casual clothing and bring a pair (or more!) of **NEW WITH TAGS**, large size sweats to donate

SARTs (Sexual Assault Response Teams) uses sweats as part of their toolkits to give to victims of sexual assault when their clothing is used as evidence

If you'd like to donate but can't attend the event, there is a box in the gift shop to collect sweats
