Melton?

Come to the
Taste of Melton
Sunday, Aug. 26th
12:30-1:30 PM
and find out!

Congregation Etz Chaim is proud to continue membership for our 4th year in the Florence Melton School of Adult Jewish Learning consortium of synagogues. This allows us to bring back an amazing opportunity to enhance Jewish literacy in an open, fun, trans-denominational, intellectually stimulating learning environment.

Our current Melton teacher Rabbi Yehoshua ben Avraham (YABA), who continues to receive rave reviews from Etz Chaim participants, will be here to teach a short sample class, so that you can experience first-hand what to expect as a Melton student.

Come see for yourself, and have a little nosh with friends as well.

RSVP REQUIRED by August 24th cec.lifelonglearning@congetzchaim.org or call the office at 630.627.3912. Questions? Please contact Barbara Turner, same email address.
